LUNCH AT THE SHOOTING CLUB

The “La Basia” restaurant located on the property of the Trap Concaverde Shooting Club, is please to inform that, in order to avoid crowds and for those who do not want to have lunch in the common areas of the same, it is possible to buy the meals to be taken in the areas as long as it is inside the Venue.

Every morning the menu of the day will be printed, on the basis of which it will be possible to place the order by communicating the approximate time of the withdrawal.

All foods are packed in lunch boxes or on sealed trays equipped with plates, glasses, cutlery and napkins, all made of recyclable materials.

For those who have rented the gazebo the meals will be delivered directly there.

PAYMENT: to be made directly to the restaurant cashier together with the order.

It is also possible to reserve one or more tables in the garden area for one or more days or for the entire period of the event.

For further information or early booking, please contact the restaurant:
